REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

As discussed with Mr. Sean Myers-Payne during the telephonic interview on 3/13/2007, the claims are allowed because the Office interprets the limitation "solidified, chemically fixed" in claims 1 and 6 also modifies "cells", not just "tumor tissues".

The instant claims would have been rejected under provisional ODP with claims 6-15 of Application No. 10/520,708 and claims 1-5, 7, and 8 of Application No 10/505,452. Since the applications have not been allowed, the instant claims are allowed first.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MISOOK YU, Ph.D. whose telephone number is 571-272-0839. The examiner can normally be reached on 8 A.M. to 5:30 P.M., every other Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Shanon Foley can be reached on 571-272-0898. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
